

18.08.2020

## **EC declaration of conformity**

For the following products

HTF6x60/xxx up to 200°C

explains that used Pt100 or Pt1000 sensors correspond to the requirements of the European standard:

EN 60751:2009 - 05

industrial platinum resistance thermometer and platinum temperature sensors

This explanation is based on the application of the following principles:

- Agreement with the characteristic
- Observance to the limiting deviations

Each change of the products requires a new examination of the fulfilment of the requirements.
